Chief Secretary to the Govt. of Mysore

B a n g a l o r e.

Sir,

I have the honour to forward herewith for the orders of Government a copy of letter No. F.C.220 of 18-19 dated the 13th February 1919 from the Deputy Commissioner, Bangalore District, regarding requirements under contingencies and stationery in connection with the Food Control operations.

I have the honour to be,

Sir,

Your most obedient servant,

Matthan

KM/MPH.

Food Controller in Mysore.

Copy of letter No.F.C.220 of 1819 dated the 13th February 1919 from the Deputy Commissioner, Bangalore District, to the Food Controller in Mysore.

.....

I have the honor to state that owing to the enormous increase of correspondence in connection with the food supply operations all the stock of type-writing paper and carbon paper that was supplied to this office for normal work for the whole year is exhausted. It is calculated that from the commencement of operation this branch of work has consumed 12 reams of type-writing paper and 4 boxes of carbon paper, the average consumption per month being 3 reams of type-writing paper and 1 box of carbon paper. To meet the above requirements neither any contingent amount is allotted nor any extra supply is made.

I therefore request that arrangements may kindly be made to supply the quantity already used for food work and also to grant Rs.10/- per mensem as contingent amount or, to supply the marginally noted* stationery articles every month as long as this work continues.

* 2 reams type paper thin.
1 ream type paper thick.
1 box carbon paper.
